

I want to invite you to attend one of my upcoming town hall meetings. Since I came to Congress, I have held over 400 town hall meetings across southwest Oregon. I have developed many legislative initiatives based on my conversations with Oregonians at these meetings. I recently held a number of telephone town halls with tens of thousands of constituents. They are a great way to connect with many of my constituents who are too busy to attend my regular town halls.

The dates and locations of my upcoming town hall meetings are listed below. I hope you will attend one in your area. I look forward to discussing current issues before congress and to hearing your ideas and opinions.
